

 **MACKER**
PALM VISTA

PREMIUM PLOTS
@ AFFORDABLE PRICE

Macker Real Ventures, we build homes and residential complexes that represent the best in modern day architecture. Industrial expertise is imbibed in every project we undertake and reflects strong planning and aesthetic designs. We have understood the need for modern and hassle free living in the contemporary period therefore; luxurious facilities are the hallmark of our projects. Every aspect of our projects blends in harmony with nature and the natural surroundings.

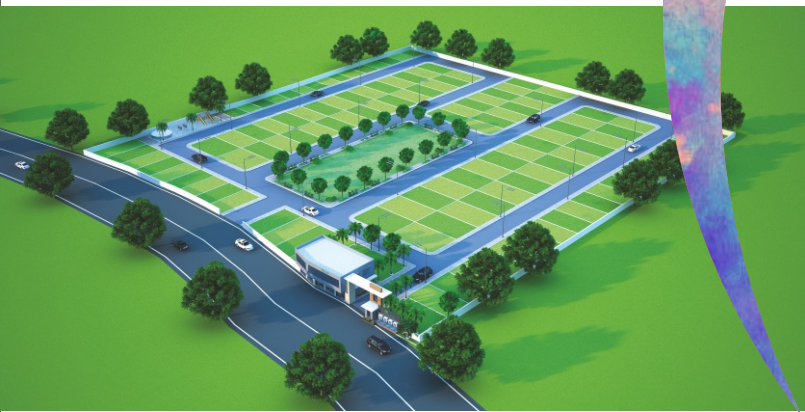

MACKER PALM VISTA

Like every of our projects we discover in Maker Palm Vista....a township of premium residential & semi commercial plots on the prime location of Hoshangabad Road, Bagli, Behind Capital Mall. The township offers world class amenities with natural surroundings that's the spirit of life... This project is meticulously planned and conceived with equal focus on every single detail of your home & commercial activities so as to offer you the most comfortable and delightful living space keeping in mind culmination of modern and contemporary approach.
